

FALCON CREST ASSOCIATION OF ALLOTTEES

Regd. No: 0070/BDA/2024 Dated. 27/09/2024

Regd. under Sub-section (2) of Section 15 of OAOMA Act 2023

Date: 16.05.2026

NOTICE

Dear Residents,

The swimming pool door, which was broken due to storm few days back, has been replaced and the pool is ready for use from **17.05.2026**. However, it was observed before the closure that, the pool area was accessed by small children unaccompanied by adults and outside visitors which raised major safety concern. To ensure safety and accountability, the access of the pool area will be regulated now onwards.

A swimming pool registration form is introduced which needs to be filled in and submitted before use of the swimming pool. A copy of the form is attached herewith for reference. Biometric Access control (Face recognition) has been installed on which the users need to authenticate themselves for entering the pool area. Users may contact the estate manager for registering their biometrics after submitting the registration form.

The swimming pool timings will be **8.30 AM to 1 PM** and **3 PM to 8 PM** till further notice. Every **Thursday** the pool will be closed for maintenance.

The cooperation of the residents in this regard will be highly appreciated.

Thanks & regards,

(Debasis Satapathy)
Secretary
